Dear Mr. Daw,

Attached is a Warning Letter which addresses the noncompliant issues noted during the February 25, 2016 Compliance Evaluation Inspection.

Zilkha Biomass Selma LLC is hereby requested to respond to the Department within thirty (30) days of receipt of this warning indicating that all areas of noncompliance (items 2 through 5) have been corrected or addressed.

As part of the Department's ongoing initiative to reduce its consumption of paper products, this Warning Letter is being sent to you electronically. You will not receive a hard copy of the attached document. Please contact me to verify your receipt of this message.

Please feel free to contact me if you have any questions.

Thank you.
